

We're delighted you'll be joining us for the 35th annual Murphysboro Barbecue Cook-off!

**Restaurant: 32 N. 17th Street
The Warehouse 214 N. 17th Street
Office phone: 618-684-8902**

As you come down Walnut Street {the main street in town} the side streets are all numbered. It's very easy to find. Pull up in front of The Warehouse and you will be greeted and directed to your space.

Please note that our front lot has been completely renovated. Kindly enter/exit your space from the correct vantage point -- either 17th/18th Street. **Please DO NOT DRIVE OVER the newly poured concrete midway.** When you arrive, we'll give you a parking tag for your vehicle.

We will be **AT CAPACITY** with well-defined boundaries for your spot and the number of teams means that we will all have to be courteous and very good neighbors with regards to space and noise. We want everyone to have a great time Friday night and we trust your team's party will **end or be very quiet by midnight** so everyone will be well-rested for Saturday's competition.

Kindly do not have or use any type of golf cart or off-road vehicle on the premises.

Spaces

Cook-off spaces are approximately 30" x 30'.

If your vehicle completely fits on your space, you may park there. It cannot be on the street by your space. There is ample parking nearby for your vehicle.

Electricity

So many people now bring RVs and we do not have enough electricity to accommodate them along with the other electricity needed at each cook site. Kindly do NOT hook up an RV to the site electricity. In the past we have blown several breakers, inconveniencing many teams at crucial times. Please do not plug in roasters, refrigerators, or air conditioners as they use too many amps. Kindly use your generator. Disregarding this rule will take down the power for you and your neighbors and when it happens in the night, we won't be able to fix it quickly.

Ice can be purchased at the concession stand near the restaurant or near our retail shop in front of The Warehouse.

Don't forget extension cords and a hose. Water will run down the west end of the midway. We'll show you when you arrive.

MBN and KCBS rules

Contest rules may be downloaded from the KCBS, SCA, and MBN websites.
